

### March 27th, 2011 update

*It doesn't seem possible that we have already been back for two months. Highlights of the past two months include: getting our "Okinawa" legs back; seeing the work on our house moving forward; the new road opening up, making our property visible from all sides which caused us to initiate a general clean up; a lady who had back pain for eighteen years being healed; the birth of four babies to separate families; graduation of another Married for Life class; a wedding; emergency counseling and helping a family move; a Christians in Action trip to the States for Glenn; preparations which included a fundraising trip for the PI Mission trip from April 4-15; and of course, the heartbreaking, earth shifting earthquake and tsunami in Northern Japan on March 11.*

*Thank you for your prayers and emails. We are praying and preparing to send a team sometime after the Philippians mission trip. Our dear friends and mentors, Ron and Teddy Sawka, live in the Sendai area. They will be coordinating efforts. If you desire to help financially, please go to the Christians in Action website and you can give online to ARMS. Pray that there will be a great spiritual shift towards the Lord.*

*Glenn, Esther, and I will be going to the Philippians. I was overjoyed to find out that someone paid for me to go. Please pray for us and the team during that time. (April 4-15). Prayer releases the plans and purposes of God. Your prayers help to keep us safe, healthy, rested, in good spirits and attitude, and allows us to be a blessing.*

*We miss you and appreciate your love and support.*

*Because he lives,*

*Glenn, Sue, Esther, Elizabeth, Josiah, and Caleb*
