

September 27, 2010 Update

From Glenn: The Asian Relief Medical Services (ARMS) mission team leaves for Cambodia on Sunday, Sept. 19th for 10 days of ministry. Pray for the power, presence, and protection of the Lord to be evident as the team ministers medically, and also through personal prayer and evangelism. The team is made up of Drs., nurses, medical personnel, and many lay believers. Pray that many Cambodian hearts would receive the love of Jesus.

From Sue: After 19 years in Japan, the girls and I are thrilled to be in Baldwin until January for a time of reconnecting and refreshment. Because of your encouragement through prayer and support through the years, we hope to share on a more personal level what God is doing in our lives and in Japan while we are here. We can be reached at my parents, Ron and Pauline Siegersma. Give us a call!
