**Disability Concerns—Ableism Training**—Join us online August 11-12, 10:00am-1:00pm EDT, for our annual training event. We will unpack ableism and consider ways we can help reduce the impact of ableism in churches. This event is open to everyone interested in learning more about this very important topic. We will continue to release more information about this event on our dedicated website: Let's End #AbleismAtChurch Register at <https://bit.ly/ableismatchurch>.

**Faith Formation Ministries—At-Home Faith Practice Reflection Tip**—Read Deuteronomy 6:1-9 and ponder or discuss: If you come from a family that loves God, how did the adults in your family pass along their love of God to the children? If you don't come from a family where faith was important, how has that impacted your own faith formation? How might your church family help remind each other of all God has done?

**ReFrame Ministries—Groundwork: Jonah: Doing God's Work**—It doesn't matter who we are, what we've done, or how inadequate we feel, God has work for us to do. Join our Groundwork conversation as we study Jonah 3 to better understand how much God cares and to discover the courage to never give up on someone or let our bias hinder our message as we continue to do God's work and follow God's call in the world today. Listen now or subscribe for weekly emails at [GroundworkOnline.com](http://GroundworkOnline.com).

**Safe Church Ministry—The Safe Church Basics Webinar: Training Leaders and Volunteers**—All church leaders and volunteers should know what constitutes abuse, how to spot it, and what is expected of them to prevent and respond to abuse well. Join us July 20 at 11am as we explore ways to train and support our safe church teams. Register at <https://bit.ly/SCwebinarJuly22>.

**World Renew—Together We Can Help Bring Clean Water!**—Over 2 billion people around the world don't have access to safe drinking water. Instead of walking a few feet to turn on a faucet, many people in rural villages spend entire days walking to get water, leaving little time for important work like farming and preparing meals. Find more information and donate at [worldrenew.net/cleanwater](http://worldrenew.net/cleanwater).
